From the Inside Flap

Dahl is a master at introducing readers to a new sense of what lurks beneath the ordinary. About the Author
From the publication of *James and the Giant Peach* and *Charlie and the Chocolate Factory* in the 1960s to his death in 1990, Roald Dahl became the most successful children's author in the world. Nearly twenty years later, a fresh generation of children seek out his work with instinctive fanaticism. His creations endure - through Hollywood movies, theatre adaptations and musical works, but still most potently of all through the pure magic of his writing upon the page.
