Présentation de l'éditeur

It's the journey of a lifetime, every month and the perfect gift for the traveller and anyone who dreams of travelling. Written by Patricia Schultz, author of the #1 New York Times bestselling book 1,000 Places to See Before You Die, and illustrated with full-colour photographs, each month is a to-die-for itinerary. Discover exotic and culturally rich Uzbekistan. Cruise America's favourite drive in autumn, the winding Blue Ridge Parkway. And experience the light that captivated so many Impressionist painters in Normandy. Each month features a large photograph, smaller images throughout the grid, a map, must-see attractions, and local history.
