### Monin - Menthe Verte Syrup - 1L (Case of 4) From Monin

In 1912, a 19-year-old entrepreneur named Georges Monin started out selling branded wine and spirits with a horse-drawn cart with the slogan, "A passion for quality". The company he founded has since been driven by this motto.

Quality remains a keystone in the entire production process. The finest ingredients are sourced from around the world to assure authentic taste and aroma. Plus, state-of-the-art technology is used to develop new products and applications. Always ahead of its time, Monin has created a reputation as the creative beverage. Green Mint is a popular European flavor, traditionally used in France to flavour water, and in Italy to make "latte alla menta" - mint flavored milk (a common childhood treat). In the United States green mint is perhaps most famous in mint chocolate chip ice cream.

Versatile Monin Green Mint Syrup is ideal to give a cool peppermint taste and green color to iced and frozen beverages. Made with select ingredients and pure cane sugar, Monin Green Mint Syrup is a highly concentrated, authentic flavoring offering exceptional versatility for creating specialty beverages.
