### Sustainabilities From Edizioni Charta Srl

This book features an insightful and informative collection of essays from some of the world's leading contemporary thinkers. In 2008, over 25,000 people gathered together in Murcia, Southern Spain, for a festival with a difference. SOS 4.8 brought together the very best in contemporary music, art, and philosophy for two days of non-stop intellectual and artistic stimulation. "Sustainabilities" brings together a series of insightful essays by some of the foremost contemporary thinkers who lead workshops, seminars, and often heated discussions at SOS 4.8, providing a fresh and challenging perspective on sustainability which goes beyond the prevailing apocalyptic discourse of the ecological movement.
