Mitos y Misterios del Mundo (Misteros de La Humanidad) Pedro Silva

After years of studying various unexplained mysteries from around the world, author Pedro Silva has gathered in this volume 10 of the enigmas that generate the most fascination among the public. Among the topics he discusses are the mysteries of ancient civilizations such as the Egyptian, Aztec, Incan, and Mayan; the relationship between Lucifer and Lilith; and the concept of Paradise or heaven in a variety of world cultures. The final chapters of the book discuss some of the most intriguing secret societies and also delve into the shadowy details surrounding the deaths of figures such as Elvis Presley or Princess Diana.
